To the Visa Officer United Kingdom

Dear Sir or Madam,

I, **Irfan Durmaz**, a German citizen permanently residing in Germany, would like to provide this supporting statement in connection with the visa application of my son.

I confirm that I am a German citizen and permanently resident in Germany. As demonstrated by my financial and economic documentation, I have sufficient and stable financial means to fully support my son, who is employed by **IFAMO GmbH**, for the entire duration of his intended stay in the United Kingdom.

I hereby explicitly confirm that all expenses related to his trip will be fully covered by me. This includes travel expenses, accommodation costs, living expenses, and any other costs that may arise during his stay.

In light of the above, I kindly request the favourable consideration of his visa application and, if deemed appropriate, the issuance of a suitable visa.

Thank you very much for your time and consideration.

Yours faithfully,

Irfan Durmaz
