Mr. Yavuz Selim Durmaz (Date of Birth: 27.07.1997, Travel Document No.: ZZ7P33NRF)

Dear Sir or Madam,

Our company's core field of activity is the organisation of events (music, dance, festivals, etc.), including the production and coordination of all technical and artistic elements required for such events.

IFAMO GmbH operates internationally, organising and coordinating events across European countries, the United States, the United Kingdom, Canada, and Australia. Due to this international scope, our team members are regularly required to work with international artists, technical crews, venues, and broadcast partners across different countries.

Mr. Yavuz Selim Durmaz is employed by our company in the position of Technical Coordinator, responsible for the coordination of sound, lighting, and live broadcast operations at our events. Given the international nature of our operations, a high level of English language proficiency is essential for Mr. Durmaz to effectively communicate and coordinate with international technical teams, venues, and broadcast partners.

As part of his professional development, IFAMO GmbH has approved and sponsored Mr. Durmaz's participation in an intensive English language training programme in the United Kingdom:

ILC (International Language Centres) – Colchester
19 Lexden Road, Colchester, CO3 3PW, United Kingdom
Course period: 10.08.2026 – 22.01.2027

IFAMO GmbH confirms that it will fully cover all expenses related to Mr. Durmaz's participation in this training programme, including travel, accommodation, and tuition/course fees. Upon completion of the programme, Mr. Durmaz is expected to return to Germany and resume his duties with IFAMO GmbH.

Should you require any further information or documentation, please do not hesitate to contact us.

Yours faithfully,

Irfan Durmaz
Managing Director
